

The Essential Guide on How Setup the Perfect Tailgate

Cooking Gear

What's a Tailgate BBQ without a killer grill and your cooking gear?

Portable Furniture

Bring enough folding chairs and tables for all your guests to be comfortable while enjoying good food and drink together

Meats

Although burgers and hot dogs are popular BBQ foods, try something new exciting like Baltimore Pit Beef sandwiches

Sides & Sauces

While the most is the star, don't forget to bring plenty of sides and sauces for your guests to enjoy.

Coolers

Cold drinks are a must at any tailgate BBQ - pack your coolers and label your drinks for organizational purposes

Drinks

When planning out the drinks for your tailgating BBQ, keep in mind who is coming and what they like

Games

Outdoor games like corn hole, horseshoes or football are great ways to leisurely pass the time and enjoy the company of friends and family.

Trash Bags/Containers

Be a good neighbor and tidy up your trash and leftovers before you close everything up and head to the game

Friends and Family

Of course the most important essential for the perfect Tailgate BBQ is your friends and family
